Agenda for Round Table discussion at Untitled-festival

### **1§ Introducing the agenda & participants**

Who are we and why are we here?

### **2§ Future seeds, their potential & envisioning multispecies futures**

Future seeds found in Future-Leap-Flying-Orientation-Interviews we made for professionals of different fields. What if these seeds would be essential cultural practices in our multispecies society?

- \* Meeting around compost
- \* Food gardens where everybody is welcomed to learn together
- \* Pace of growth and development learned from mosses
- \* Recognizing the temporality of our own existence
- \* Knowing your home forest at the same time locally and globally
- \* Going to the desert to recognize boundaries and to define yourself anew
- \* Spider – human -co-operation in fiber- and textile industry
- \* Growing old together with a tree

### **3§ How to get there?**

### **4§ Taking into account unexpected disruptions.**

### **4§ Finding gardeners for future seeds**

### **5§ Toast for the future!**

**Kaikki on mahdollista oravalle, jolla on esityslista!**
